1. [The Hope Foundation Reentry Network \(HFRN\)](#) With a mission to provide hands-on community transition services to returning citizens, the Hope Foundation Reentry Network (HFRN) aims to significantly decrease the risk of recidivism. We push our clients towards successful re-integration back into society, motivated and ready work. Our programs are designed to bridge the gap by offering mentoring, addiction prevention services, workforce development, and job/employment training opportunities. Underscored by the need to address relevant factors such as drug addiction, alcoholism, homelessness, unemployment and low education, the Hope Foundation's program centers on making participants self-supporting, responsive and motivated productive members of society.
